

I was born an artist. My cousins sang for the Metropolitan Opera. My sister penned graphic novels. My brother oil painted. 1948

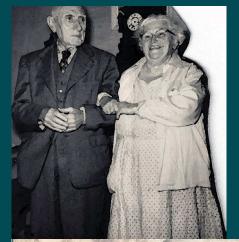

At seven,
I started teaching
my three year old brother
and cousins.
Craft activities
and Christian sacraments
blessed our growth.

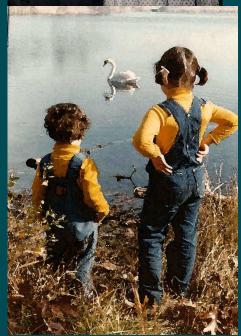

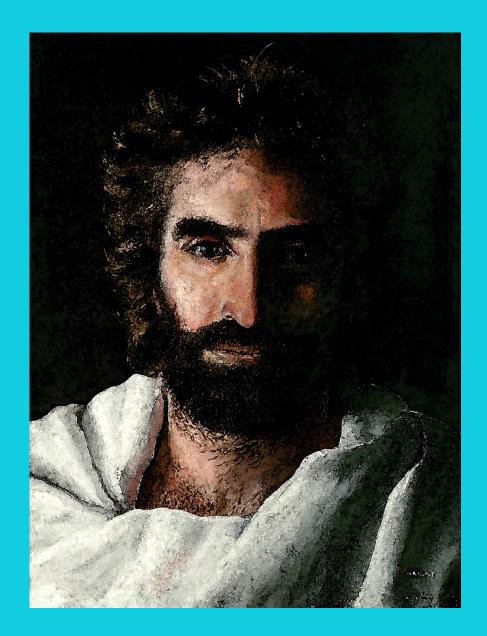

I played drums and trombone in a band; classical guitar sang as a cantor. (wanted to be in the sanctuary with the altar boys)

1954

High School teachers annointed my debate and speech talents; let me sing solos and duets.

At 16,
I entered the convent of
the Daughters of Wisdom.
The two saints
who founded the order sang
and did missionary work.

I chose the name:
Sister Virginia Mary of Christ,
was devoted to Mary, Jesus' Mother,
and Mary Magdeline,
Jesus' best friend
and an apostle.
Once Jesus saved her life
and forgave her prostitution,
she became his loyal servant and
follower.
After Jesus rose from the dead,
He appeared to her first.

After graduating from Catholic U
I taught third grade for 5 years.
We sang every day.
On Sunday,
I directed the whole church.

1967

I moved to teach Art in the NYC High Schools for 33 years. My students were from 13 countries. Their winning Calligraphy in many languages won countless awards. <u>l t</u>aught: Computer Graphics Cartooning Animation Graphic Design Filmmaking Photography Illustration **Fashion Design** Interior Design

Who is This Quicksilver?
who creates
mercurial poemspaintings which
effervesce like rainbow bubbles
freshly blown?

Each pops, and leaves its scent upon the nose — invisibleyet haunting.

We lift the veil and find the sweet essence clinging to our skin.

We have been touched with the silver of her grace-quickly quickly turned to silver.

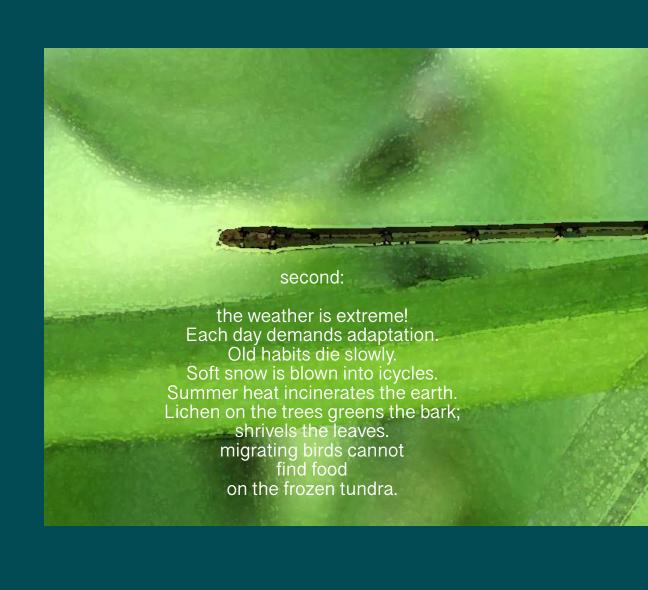

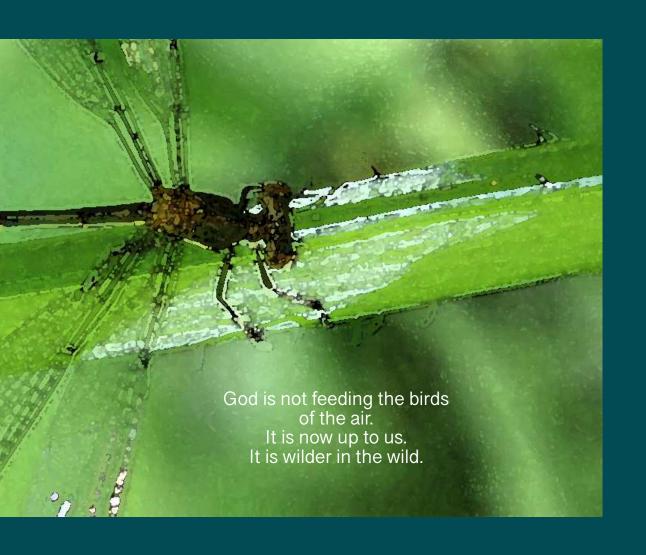

It's a time of crisis:
some of the dilemmas:
first
there is too much information.
I need to filter in silence:
what do I allow in?
where do I direct my focus?
when do I spend quiet time
processing?
I will not allow my mobile devices
to control me!

A mighty windstorm hit the

There was an earth quake, but the Lord was not in the earthquake.

There was a fire, but the Lord was not in the fire. Then after the fire there was the sound of a gentle whisper. So speaks the Lord.

2 Kings 19: 8-11

King Hezekiah said to Isaiah: "Do a miracle to prove to me that the Lord will heal me and that I will be able to go to the temple again 3 days from now"

Isaiah asked him "Do you want the shadow on the sundial to go forward 10 points or backward?"
"Make it go backward" Hazekiah replied.

Then the Lord made the shadow go backward.

There was a conference call between Hazekiah, Isaiah, and God and God deferred to the human request. He also kept Hazekiah alive for 15 more years and supported his army!
